

# STOJANCE ORES KOV

Junior Software Developer

<https://oreskov.vercel.app/>

## CONTACT

-  +389 71 716 760
-  oreskov.stojance1@gmail.com
-  Kavadarci, North Macedonia

## EDUCATION

### Slavjanski University

BSc in Software Technologies  
2022 - Present

### Dobri Daskalov High School

Economic Technician  
2018 - 2022

## SKILLS

- Flutter & Dart
- React.js & JavaScript
- C# & .NET
- Node.js & Express
- Git & GitHub
- ReactJS

## LANGUAGE

Macedonian - Native  
English - Fluent

## ABOUT ME

Motivated Software Technologies student with a strong focus on building cross-platform mobile applications and modern web solutions. Hands-on experience in Dart/Flutter, React, and C# through various complex projects. Proven ability to translate ideas into functional code, from UI design to backend logic. Eager to contribute to a professional development team and tackle real-world challenges.

## EXPERIENCE

Mobile Development

### Expense Tracker App (Flutter/Dart)

Developed a mobile app for financial tracking with real-time data updates and dynamic UI.

Frontend Development

### Tenzies Game (React.js)

Built an interactive web game focusing on state management and component lifecycle.

Object Oriented Programming

### Products Sorting App (C#)

Designed a desktop tool for inventory organization using advanced sorting algorithms.

## KEY ACHIEVEMENTS

### Academic Thesis (In Progress)

Modern Software Architectures and Mobile Development – Slavjanski University.

### Independent Learning

Completed various intensive tracks for Flutter Development and Frontend Engineering via platforms like Udemy/Coursera.
